About Missouri Arts Council

Missouri Arts Council, a state agency, provides funding to nonprofit organizations through grants that support quality arts programming throughout the state as well as meet our strategic goals:

- Engage people in meaningful arts experiences
- Grow Missouri's economy using the arts
- Strengthen Missouri education through the arts

Funding for the Missouri Arts Council is provided by the Missouri General Assembly through the state's annual budget bill approved by the governor, Missouri Cultural Trust, and National Endowment for the Arts. The MAC board determines the annual budget at the June meeting.

MAC's Commitment to Cultural Equity

A core value of the Missouri Arts Council is to celebrate Missouri's cultural richness and diversity. All Missourians deserve to benefit from public investments in the arts. To support a full creative life for all, the Missouri Arts Council commits to championing policies and practices of cultural equity that empower a diverse, inclusive, equitable, and accessible state.

Board Approved December 2018

Express and Annual Grants

Missouri Arts Council funding is available through the Express and Annual Grants. While both support arts programming, there are key differences in terms of deadline schedule, complexity of the application (and time required to prepare the application and support material), and processing time.

- **Express Grants** are designed for first-time applicants to Missouri Arts Council or smaller budget projects. They have a simpler application, more flexible deadline schedule, and quicker turnaround. The funding is smaller and corresponds with an easier application process. Also, Express Grants receive a higher amount of their request amount (ranging 60-100%) based on their average score. For example, an organization that requests \$2,500 may receive a grant for \$1,500 or more for an acceptable project scoring 60%. Higher scores would receive proportionally more funding.

Deadline: Applications are accepted on a rolling deadline, by the first Monday of the month which is at least two months before the project event date (or project incurs expenses, whichever occurs first). If the first Monday falls on a holiday, the deadline will be Tuesday. For example, if the project expenses will start December 2023 for a January 2024 performance, then the latest the application can be submitted by the first Monday of October 2023. The Missouri Arts Council encourages early submissions to support advance planning and ensure funding availability.

- **Annual Grants** are designed for experienced Missouri Arts Council applicants with large budget arts projects. The annual application is extensive and more demanding with a rigid deadline schedule, a more competitive review process, and a longer turnaround. While the request amount is higher, organizations receive a smaller percentage of their request based on our funding.

Deadlines: Optional draft application by last Monday in January. Final application by last Monday in February.

What Does MAC Fund?

Missouri Arts Council funds art projects in most artistic disciplines that are open to the public. A project may include the following:

- Performance of dance, music, opera, and/or theatre (single performance or series)
- Arts festival or arts component at festival or county fair
- Exhibition or exhibition series
- Literary journal publication
- Film screening, festival, or series
- Artist residencies (through Arts Education)
- Education programs (through Arts Education)

Allowable Expenses

Missouri Arts Council funds may be used for the following costs. All expenses must be specifically related to the MAC-funded project. Applicants must show the calculations for the project-related expenses in the Budget Detail.

- Staff salary or fees for contractual personnel.
- Facilities costs, including rent, mortgage (principal only), utilities, security, insurance, and cleaning services.
- Marketing and promotion costs related to the project.
- Evaluation services and documentation (photo, video, audio, pre/post surveys, etc.)
- Expenses to increase the accessibility of events, programs, and facilities for people with disabilities.

Grant Request

The request amount depends on the grant program (see pages 5-6). The award amount is typically less than the request amount.

NEW THIS YEAR: For Annual Grants, maximum request amount may equal the total expenses. Matching funds are no longer required for the application. However, the MAC award cannot exceed 50% of total expenses [as reported in the Interim Report, Invoice(s), and Final Report.

Payment of the Missouri Arts Council grant is always made on a reimbursement basis. Organizations must have sufficient cash reserves or incoming revenue to pay for all of the expenses upfront and then wait for payment from MAC. It is difficult to estimate processing time because there are many possible reasons for delays.

To receive payment of MAC award, all Missouri Arts Council grant recipients must be registered with the State of Missouri as a vendor with current address and banking information for Electronic Funds Transfer. For more information, consult [State Vendor System for Payment of Grants](#).

Match Requirement

Annual Missouri Arts Council grants must be matched on a one-to-one basis. (Exception: Partnership match varies. Express Grants don't require a match.)

The matching funds must come from other cash revenue sources (for example, admissions, local government grants, and corporate, foundation, or private support). MAC awards cannot be matched with state funding. Awards funded by MAC's National Endowment for the Arts grant cannot be matched with federal funding.

Who May Apply?

To be eligible to apply for Missouri Arts Council funding, an organization must:

- Be tax-exempt as determined by the Internal Revenue Service and incorporated in Missouri as a not-for-profit corporation. You must maintain not-for-profit status by filing the annual or biennial registration report with the Missouri [Secretary of State's office](#) and annually filing Form 990 with the [Internal Revenue Service \(IRS\)](#).

OR

- Be a unit of federal or local government, such as a library, university, county, or municipal agency.
- Conduct the proposed project in Missouri.

This may include organizations like the following:

- Arts or arts education organizations

- For-profit organizations (including B Corporations).
- Nonexempt nonprofit organizations.

Maintaining Non-Profit Eligibility

An organization must maintain its eligibility throughout the grant period. Missouri Arts Council funding will be jeopardized if any of the following occurs during the grant period:

- Organization doesn't file annual form 990 with the Internal Revenue Service (IRS) for the most recently completed fiscal year.
- IRS revokes the organization's tax-exempt status.
- Organization doesn't file timely registration reports with the Missouri Secretary of State's office (SOS) or its nonprofit status is administratively dissolved.
- Organization changes to a **non-Missouri** address as indicated with the IRS records, Form 990 returns, SOS nonprofit registration records (registered agent and organization's principal place of business or corporate headquarters), and/or other public records, such as the organization's website and Facebook page.

The Missouri Arts Council will confirm the Missouri-based nonprofit eligibility when processing the application and double-check eligibility before paying invoice for reimbursement. The ineligibility issue(s) must be rectified before proceeding with the grant cycle, for example, forward application for panel review, issue Grant Agreement, and process invoice for reimbursement.

Where the determination of cost allowability differs, the NEA guidelines and Partnership General Terms and Conditions take precedence over the Uniform Guidance.

All expenses in the approved project budget, payment requests, and final report must comply with these cost principles. This includes the amount supported with Federal funds and the required matching funds or any voluntary committed cost share.

Listed below are **common unallowable costs** for grants supported with federal funds. The complete list is available [online](#) and included in the above-referenced documents.

required to provide reasonable and necessary accommodations for staff and visitors with disabilities.

A staff member should be designated to serve as a 504 coordinator. Section 504 self-evaluation must be on file at your organization. The compliance and supporting documentation should be kept on file for a period of three years after the completion of the Missouri Arts Council-funded project.

- **Active SAM Registration**

Grant recipients must maintain an active registration in the System for Award Management (SAM) and not be on the federal debarred or suspended list. The SAM registration must be active throughout the life of the grant, from application through final report submission. The SAM registrations helps to verify an organization's eligibility to receive federal grant funds. The SAM registration should be based on the DUNS number provided in the Missouri Arts Council application. The DUNS account should reflect the organization's legal name and current, physical address. (2 CFR 25)

- **National Environmental Policy Act (NEPA) of 1969**, as amended, applies to any Federal funds that would support an activity that may have environmental implications. We may ask you to respond to specific questions or provide additional information in accordance with the Act. The Grantee is also prohibited from using federal funds for lobbying specifically to obtain grants. Lobbying includes conduct intended to influence the outcome of elections or to influence elected officials regarding pending legislation, either directly or through specific lobbying appeals to the public. (2 CFR Part 200.450, 18 USC 1913, and 31 USC 1352)

Missouri Arts Council Funding Policies

These policies are adopted by the Missouri Arts Council board and subject to change without advance notice. Please contact your Program Specialist or Michael Donovan, Executive Director, if you have any questions about these policies.

- **Incomplete Application**

Applications that are late or incomplete (missing required answers, attachments or support material) will not be considered for funding. We reserve the right to remove materials that do not comply with application requirements.

- **Funding Priorities Policy**

The Missouri Arts Council uses public funds to effect strategic goals as part of our mission to support the state with the arts. As such, we will prioritize funding organizations and projects that advance these strategies and goals:

- The primary purpose of the project must be artistic or related to the arts ability to strengthen individuals and communities.
- The project must be inclusive of Missouri citizens.
- MAC's intention is to support creative expression of art and performance without endorsing or supporting a particular faith, creed, or political ideology.

- **Emerging Arts Organizations**

New and emerging arts organizations need time and assistance to develop their mission and create effective events and programs. We encourage emerging groups to consult with MAC before requesting funds. Organizations may seek funding a minimum a year after nonprofit status, or until they have demonstrated programs to evaluate. Nothing in this policy would preclude MAC from funding a strategic initiative with a Partnership, chair, or executive committee grant.

- **Art Courses**

MAC does not fund art courses unless they are *predominately serving* a population that lacks access to arts programs due to geography, economics, ethnicity, or disability. Organizations requesting support for art courses must demonstrate that the majority of the target audience qualify as an underserved population according to Missouri Arts Council's definition.

Missouri Arts Council funds may be used for Master classes and workshops as an *ancillary activity* of a funded project. Missouri Arts Council supports projects that provide in-depth knowledge and skills in the arts in PK-12 schools and community settings through Missouri Arts Council's Arts Education Artists-in-Residence and Out-of-School grant programs.

- **Grant Writer Compensation**

Grantees may not pay a grant writer or fundraiser (or someone acting in that capacity) compensation based on a percentage of a grant award or contingent upon award of a grant.

- **Duplicate Funding**

Missouri Arts Council will not approve more than one grant toward a particular project during a funding year. If more than one organization is collaborating on a MAC-funded project, only one organization may include it in their grant application, interim report, and final report.

- **Fiscal Agent**

Missouri Arts Council does not fund projects using fiscal agents.

- **Funding Fluctuations**
Funding is not guaranteed from year to year. Organizations must submit project proposals for panel review/recommendation and Missouri Arts Council board approval every year. Funding is based on the strength of the grant proposal (in terms of the evaluation criteria) as well as the organization's past performance. Missouri Arts Council will not approve more than one grant award to a particular project during any funding year.
- **Quality**
While it is Missouri Arts Council's goal to fund programs that are of high quality, MAC believes that applicants cannot be measured by a single standard of quality. A high quality performance in one area of the state may not be considered to be of high quality in another area. Missouri Arts Council encourages and rewards the achievement of quality.
- **Cultural Diversity**
Missouri Arts Council recognizes that there are a great variety of cultural traditions in the state. MAC encourages the presentation and expansion of art forms to include these cultures. In addition, applicants seeking Missouri Arts Council funds for programs targeting minorities must demonstrate people of color involvement in their planning process and execution.
- **Compensation to Artists**
Missouri Arts Council believes that artists should be compensated for their artistic expertise and services rendered. MAC staff and panelists will advise the Council regarding appropriate compensation.
- **Employment of Missouri Artists**
Missouri Arts Council encourages the employment of artists who are Missouri residents. However, MAC strives toward a balance in funding the development of Missouri artists and providing Missouri residents with the opportunity to experience artists from outside the state.

What MAC Cannot Fund

Missouri Arts Council assistance cannot be used to fund the following items.

- Programs occurring before or after the fiscal year in which it was funded
- Direct aid to individuals, including scholarships or fellowships
- Projects that have already occurred
- Projects outside the state of Missouri
- Basic operating expenses such as rent and utilities, unless *directly* related to the arts project the organization is presenting

- Salary support, full or partial, for one or more staff positions, including fringe benefits.
- Fees and stipends for artists and/or contractual personnel to support the services they provide for specific activities.
- Facilities costs, including rent, mortgage (principal only), utilities, security, insurance, and cleaning services.
- Costs associated with health and safety supplies for staff and/or visitors/audiences (e.g., personal protective equipment, cleaning supplies, hand sanitizer, etc.).
- Marketing and promotion costs related to the project.

Folk Arts Program

Folk Arts Program accepts applications for projects that perpetuate and present traditional arts and artists, preferably those associated with the state of Missouri. For the purposes of this grant category, folk arts are defined as the living, functional and expressive arts of everyday people passed down informally by word of mouth or imitation within close-knit groups. Such groups include: family, community, occupational, ethnic, regional, or religious groups. The Folk Arts Program accepts applications for a variety of folk arts projects that can include the following:

- Exhibitions
- Performances and concerts
- Cultural tourism
- Demonstrations and workshops
- Folk life festivals
- School programs and residencies

Funding Priority for Folk Arts

- MAC strives to reach underserved areas and groups with special attention toward living traditional arts that are in danger of disappearing.
- Traditional arts practiced in Missouri by Missouri traditional artists.

Additional Application Instructions for Folk Arts

Folk Arts Program applicants should:

- Select the drop-down option for “Folk Arts” on the Annual Discipline application form
- Answer the additional Folk Arts questions: How does the project support living traditional arts and the artists who practice them? Describe the cultural significance of the art form(s) and the cultural heritage of the artists.

Staff members of the Missouri Folk Arts Program are located on the campus of the University of Missouri-Columbia, serve as program specialists, and provide technical assistance to grant applicants. Their mission is to build cross-cultural understanding by documenting, conserving, and presenting our

state's living folk arts and folklife in collaboration with Missouri's residents.

Organizations of Color Program

NEW THIS YEAR: Organizations must meet the following criteria:

1. Organizations where a majority of the board and staff (combined) are American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander (as reflected in the Demographic section of the application).
2. The mission of the organization has historically served people of color. Supports arts projects created by and/or targeted to African-American, Asian-American, Latino/Hispanic, and Native American communities.

Additional Requirements for Artistic Disciplines

Artistic disciplines may have additional requirements which are applicable in all of Missouri Arts Council's grant programs unless stated otherwise.

Dance

Applicants requesting support for dance productions that include students should address the following:

- Number of professional performers vs. the number of student performers in the production
- Qualifications of the teacher.
- Quality of the work being produced by the dance company/school.
- Budget Detail should include ticket prices.

Festivals (Category Only)

These requirements only apply to organizations requesting Annual Discipline or Off Year support in the Festivals category.

Additional Eligibility Criteria

- An arts festival has a significant emphasis on the arts, often with a variety of media, even if it is focused on one artistic area.
- An arts festival has a concentration of many arts activities and provides a showcase for local, regional, or national artistic talent.
- An arts festival occurs in a condensed time period. The length of a festival depends largely on the intensity and types of events scheduled. At minimum, an arts festival is an all-day event, usually 8-10 hours long. It may be longer than a day, for example, a weekend or an entire week.
- An arts festival revolves around a theme that is easily identified.

Not Eligible:

- Event that has one activity scheduled over several days
- Series of events (for example, a single performance that occurs every Friday night for a month)
- Special event (for example, a single evening performance of cowboy poetry)
- Carnival/fairway

Additional Application Requirements for Festivals

- Financial Statement: Festivals applicants are required to submit a financial statement for the previous year's festival (first-year festivals are exempt from this requirement).
- If applying for support of multiple festivals, the Festivals applicant must clearly indicate/label which festival the expenses and income are for. For example, Fall Fest-Insurance \$500 and Jazz Fest-Stage Rental \$1,000. Previously, applicants submitted separate Budget Details, but the new grant

system format requires a different approach.

- Festivals applicants are required to submit the festival schedule of events and activities from the previous year's festival. This could be printed materials distributed to participants or an image of the schedule of activities posted at the event.
- Only one organization may apply for funding for a particular festival. Additional participants may not request funds for the same event.

Literature

Missouri Arts Council focuses on literary projects, including public readings as well as print and/or digital journals and independent and university presses that publish poetry, fiction, drama, and/or creative nonfiction by contemporary writers and translators.

Media Arts

Missouri Arts Council accepts for consideration projects of a primarily artistic nature in the following mediums: film, video, digital (for example, web-based), radio, and audio. MAC considers both the intent and content of the proposed projects. If the primary intent is to exhibit or promote another art form (for example, visual arts, literature), MAC will refer the project to the appropriate discipline.

Missouri Arts Council supports projects that propose to exhibit or create works of art in electronic media. MAC encourages Missouri-based works and non-commercial short film and video for exhibition.

Missouri Arts Council will consider projects involving the creation of works at any stage in development. Higher priority is given to projects with smaller budgets (up to \$150,000), noncommercial projects (for example, experimental, or video works), and projects requesting funds to assist with their completion.

Multidiscipline (Category Only)

These requirements only apply to organizations requesting Annual Discipline or Off Year support in the Festivals category.

Organizations that present or produce projects involving at least two different art disciplines might consider applying to the Multidiscipline category. Sometimes proposals for a single-discipline project receive higher reviews by the Discipline panel rather than proposals for two projects in different disciplines in the Multidiscipline category. For guidance, contact the multidiscipline program specialist.

Music

Applicants requesting support for music projects should include a proposed repertoire for the project in the project description.

Organizations applying for Annual Discipline support must choose Music Instrumental or Music Vocal/Presenters. For guidance, contact the music program specialist.

Theatre

Applicants interested in applying in Annual Discipline, Off Year, or Express Project support may include the following projects. This is not an exhaustive list.

- Production or presentation of existing contemporary or classical work.
- Development and production of new work, translations, and adaptations.
- Community-based projects that involve the creation and/or production of theatre with community members.
- Development, production, or presentation of theatre work for young audiences.

Visual Arts

- Applicants requesting exhibit support (in any grant program or category) must provide the viewing hours. The minimum requirement is 16 hours during the week and 6 hours during weekends or evenings (after 5:00 p.m.).
- Missouri Arts Council funds cannot be used for exhibitions in which only associates of the organization—students, faculty, and/or members—are eligible to exhibit.
- Exhibitions displaying original works of art receive priority over exhibits of reproductions.
- Exhibitions of the applicant's permanent collection must demonstrate the following:
 - The “newness” or original nature of the materials or information presented;
 - The reasonableness of the conservation/preservation expenses related to the program; and
 - The program's educational value and/or cultural enrichment for the public.

Policies for Colleges and Universities

Colleges and Universities may apply for Missouri Arts Council funding. Their programs must be marketed and accessible to the general public in addition to students, faculty, and staff. MAC requires that at least 30% of the audience for college/university-affiliated programs come from the general public.

- Accessibility for programs occurring on the college/university campus includes, but is not limited to, providing adequate signage directing the general public to the space and providing parking for off-campus visitors during the performance, exhibition hours, or arts activity.
- MAC will not accept applications for projects in which course credit is the primary purpose.
- MAC will not accept proposals for projects of faculty members of college/university applicants.

College Application Limit

Each *academic department* may receive one application per fiscal year. However, when the department includes more than one artistic discipline, MAC will accept one application for *each* artistic discipline per fiscal year. For example, the Theater and Dance department may submit two applications—one for Dance and another for Theatre. However, the University cannot submit two applications for Theatre. For administration departments (like student affairs), MAC will accept one application per fiscal year.

College Budgets

Please contact your Program Specialist for assistance with your budget.

- F&A Costs: Missouri Arts Council does NOT allow colleges/universities to charge a F&A cost recovery fee. While MAC won't pay standard F&A charges, the budget may include basic operating costs that are directly related to the arts project.
- In Kind Contributions: MAC's definition of in kind is different than a university definition. MAC defines in kind donation as a donation of products or services from an individual or company outside of the university. MAC considers contributions from different university departments as applicant cash, not in kind.
- State funds cannot be matched with state funds.

College Applications vs. Interim/Final Report:

- In the application, the college/university should provide all of the project expenses and income for the proposed arts project.
- MAC prefers to see the relevant project expenses/income in the Interim and Final Reports. However, MAC understands that this might not be possible due to some policies about matching funds. In such cases, the college/university applicant must clearly state that the Interim/Final Report reflects the minimum budget to satisfy MAC's matching fund requirement. Sample text: *XYZ College has decreased the Project Budget to the minimum needed to match the MAC award. Since MAC requires a one-to-one match, the college is matching the \$5,000 MAC award with \$5,000 in applicant cash. Although the Project Budget has been decreased to the minimum match amount, the college acknowledges that the MAC award is supporting the entire Arts Project.*

College Contact Person

- MAC encourages all applicants to coordinate with the university's grants/sponsored research office.
- Only one person can be the official contact person with one email address, phone number, fax, and mailing address. This is used for all correspondence. Colleges/universities may provide additional/back up contacts for the grant file.

Authorizing Official

For college/university, the authorizing official is the President or Board Officer.

Multi-Year Review Cycle

Most of Missouri Arts Council's annual grants are reviewed every other year. This includes Arts Council Project, Discipline, Folk Arts Program, and Organizations of Color Program. Organizations that receive operating support (Arts Council Operating, Established Institutions, and Mid-Sized Arts Organizations) are reviewed every three years. This process provides project support for multiple years, resulting in reduced time for preparing applications and greater assurance of funding.

For the "on year," an organization submits an application for an arts project that will occur in the upcoming fiscal year. The panel's review of the proposal determines the organization's score for two (or three) years—the review year and following year(s)—using the funding formula.

During the interim year, an organization submits an Off Year Application. The off year award is determined by a funding formula which is based on the "on year" score and request amount, as well as available funding for that fiscal year. Missouri Arts Council budget changes every year and MAC applicants should anticipate that the award amount for the interim grant cycle will be different. The available funding depends upon the funds provided by the General Assembly and National Endowment for the Arts, as well as the budget approved by the Missouri Arts Council board at the June meeting.

Application Review Process

The Missouri Arts Council aims to distribute funds fairly and equitably among art forms and across the geographic and ethnic diversity of Missouri. Advisory panelists evaluate applications according to three weighted criteria: Artistic Quality, Community Involvement, and Management Ability. Most discipline grants are weighted by 50%/30%/20%. Arts Council Program's criteria are weighted 30%/40%/30%.

Artistic Quality

Artistic Quality

MAC considers the extent to which a project maintains and improves the quality of Missouri's arts services and broadens the artistic scope of the state's cultural activities. MAC also considers the degree to which the project preserves and enriches the cultural resources of the state and encourages traditional artistic activities and new and imaginative endeavors. In making determinations about artistic quality, application reviewers are guided by:

- Biographical summaries of key artistic and technical participants.
- Support materials, such as photographs, CDs, catalogs, reviews and articles □The project's contribution to its respective art field.
- Folk Arts Program: Evidence of the authenticity and artistic integrity of the traditional art form and artists.

Creativity

MAC evaluates the extent to which a project challenges and develops the applicant organization's creative capabilities and the aesthetics of their constituencies by considering the following:

- The utilization of original and unique works of art.
- Originality in program concept, design, and presentation.

Community Involvement

The applicant organization should be in dialogue with its community about local needs and strengths and arts programming should reflect that dialogue.

Community Need

MAC considers the community's need for the project as determined by:

- Community location and reach of applicant and the geographic need for arts services.
- The project's contribution to the education of the local community.

- Demographics of applicant organization's board, staff and volunteers
- The estimated size and range of audiences directly served by the project.
- Outreach services to new and diverse audiences (for example, racial and ethnic minorities, the elderly, the disadvantaged, and the physically or mentally challenged).
- Creativity in audience outreach strategies.
- Development and/or exposure of Missouri artists.
- Accessibility of the project to the general public (location of project, appropriateness of facility, cost of event, publicity, etc.).

Community Support

Community's support of the project is determined by:

- Size of past audiences.
- Financial backing and/or donated professional goods/services from the community or local government.
- Letters of support/interest from past or proposed participants in the project.
- Folk Arts Program: Evidence of the involvement of representatives and cultural specialists from the traditional communities presented.

Management Ability

Administrative Ability

The quality of the organization's project management is determined by:

- Program management including personnel, program development, marketing, venue management, activities, sponsors, volunteers, etc.
- Biographical summaries of administrative staff, whether paid or volunteer.
- Financial stability of the organization based upon financial reports.
- Administration of previous MAC-funded programs, including submission of prompt and complete Missouri Arts Council paperwork, as reported by MAC staff.
- Clarity and completeness of the application form.
- The organization's fulfillment of its stated mission and long-range goals.
- Evaluations of past projects.
- Past program support materials.

Program Budget

The project budget is evaluated by considering the following elements:

- Accuracy.
- Feasibility of the proposed project expenses and income.
- Amount and diversity of non-Missouri Arts Council financial support for the project.
- Evidence of clear financial need for Missouri Arts Council support. There are different dimensions of need. One organization may need MAC funds to stay in business while another may need funds to improve the quality of what it is doing. Both types of need are legitimate.

Advisory Panels

Each year Missouri Arts Council appoints Missouri residents and regional representatives to serve as volunteer panelists to review grant applications. Selected panelists are either knowledgeable in a particular art form or they are arts enthusiasts who serve as community representatives on the panel. Panel composition varies according to grant program. Panelists may include program and administrative staff of cultural organizations, artists, community leaders, and educators who represent diverse geographic, ethnic, gender, and aesthetic perspectives. A Missouri Arts Council board member serves as panel chair to facilitate the review and enforce MAC policy. If you would like to serve on an advisory panel, complete a [nomination form](#). For more information, go to [MAC website](#).

Determining Grant Amount

The allocation of funds is determined after the Missouri Arts Council budget has been approved by the Governor and MAC board. Funding for each application will be determined by a funding formula which will be based on the average score, request amount, and available funding for that fiscal year. Details and example follow:

1. Multiply the request by the score. For example, if the request was \$10,000 and score was 86.5, then \$10,000 would be multiplied by 0.865 resulting in \$8,650.
2. Multiply the result from step 1 with an adjusting percentage that brings the total to the amount of available funding for that fiscal year. The adjusting percentage is determined by dividing the total available funds by the total requests. For example, if the available funding were \$100,000 and request total was \$250,000, the adjusting percentage would be 40% (request total/available funding = 0.40). Using the example from step 1, \$8,650 would be multiplied by 0.40 resulting in \$3,460 for the award amount.

Panel Meetings

All applicants are welcome to observe the panel meetings for the program to which they have applied. Each applicant will be notified of the time, date, and location of their panel meeting as well as web meeting links. Observing the panel process can help applicants understand how Missouri Arts Council programs work and improve their application.

Panel meetings are conducted by web-based meeting (like Zoom). The panelists discuss and possibly change the average scores presented and the compiled written comments. The meeting concludes with a discussion on policy and issues. The panel's recommendations of average scores are presented to the Missouri Arts Council board for approval at the June meeting.

Notification

In July, Missouri Arts Council sends written notification to applicants of the Missouri Arts Council board funding decisions. This notification may include panel comments, recommendations, and/or grant stipulations. This feedback can be helpful for organizations to improve future applications.

If not funded, an organization may:

- Contact [your program specialist](#) to discuss the application and panel's feedback.
- Submit a Letter of Reconsideration (see Reconsideration Policy below for details).

If funded, then the organization must submit Missouri Arts Council grant paperwork in a timely fashion and fulfill all the grant requirements (see pages 8-20 for details). Failure to comply may jeopardize current and/or future MAC funding. To receive payment, organizations must first incur the expenses for the Missouri Arts Council-funded project and meet other requirements.

Reconsideration Policy

Applicants may be eligible for reconsideration by the Missouri Arts Council board if they are zero-funded or significantly reduced award amount. In addition, artists not recommended for inclusion in the Missouri Touring Performers Directory may be eligible for reconsideration by the Missouri Arts Council board.

In order to qualify for reconsideration of a Missouri Arts Council funding decision, the applicant must be able to demonstrate one of the following occurred:

- Panel's review of the applicant's request was based on criteria other than those stated in Missouri Arts Council's guidelines.
- Panel funding recommendation was based on the influence of an advisory panel member with undisclosed conflicts of interest.
- Required information, which the applicant submitted with the application by the posted deadline, was withheld from the panel or Missouri Arts Council board.
- If the applicant believes there are grounds for reconsideration, the applicant must submit a formal letter requesting reconsideration of the MAC-funding decision to the Deputy Director at the Missouri Arts Council office within 30 days of the funding notification. The steps for reconsideration are as follows:
 - Deputy Director will review the appeal and grant proposal based on the Evaluation Criteria and discuss the appeal with the following, as needed: appropriate Program Specialist, panel Chair/ Missouri Arts Council board member, or panel members.
 - Both the Deputy Director and Executive Director will review the appeal and, if necessary, make a recommendation to the Missouri Arts Council board.
 - At the subsequent meeting, the full Missouri Arts Council board will review the appeal and staff recommendation and render a decision, based on available resources. Applicant will receive notification of the decision within 30 days of the MAC board meeting.
